INTUIT QUICK BOOKS POINT OF SALE MERCHANT SERVICE

MAKES IT EASY TO ACCEPT CREDIT AND DEBIT CARDS.

One-step credit and debit card payment processing inside your Intuit QuickBooks Point of Sale software.¹

1. Hardware sold separately. Terms, conditions, pricing, features and service options subject to change without notice.

Save This Way.

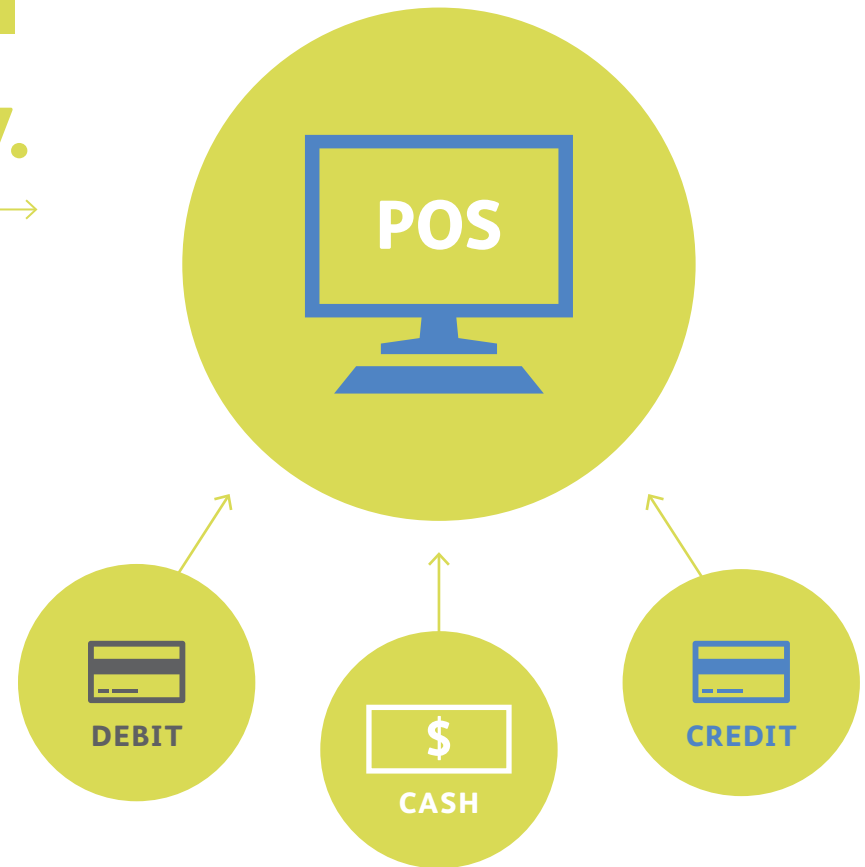

- **Save time, increase accuracy and productivity.** Authorize, process and record credit or debit card sales in just one step in your Point of Sale software. You can complete transactions more quickly and move customers through check-out more efficiently.
- **Save money.** Point of Sale Merchant Service requires NO long-term contract and there are no hidden fees.² Get a low card-swipe rate and save even more with PIN debit.
- **Save yourself the hassle.** Simple to set up, simple to use, Point of Sale Merchant Service uses the Point of Sale screens you work with every day. Simply activate your QuickBooks Point of Sale Payments account and you're ready to go. All your information connects to QuickBooks Financial Software with just a click.

2. Requires QuickBooks Point of Sale 2013 or higher (sold separately) and a merchant account through QuickBooks Point of Sale Merchant Service, provided by Intuit Payment Solutions, LLC, an Intuit Company. Application approval required. Fees apply. Optional card reader and PIN pad required for lowest discount rate available. Card reader and receipt printer are sold separately. Additional fees apply when accepting cards other than Visa, MasterCard and Discover Network, including American Express and Diners Club Cards. Rates are determined by the financial institution and are subject to change without notice. Transactions are subject to Association guidelines. PIN debit network fees vary; PIN pad to accept PIN debit transactions required, sold separately. Internet access or modem and phone line required. Terms, conditions, features, pricing, service and support options are subject to change at any time without notice.

SEAMLESS INTEGRATION SAVES YOU TIME AND MONEY

Integrate This Way.

- **Nearly 2 in 3 U.S. consumer purchases are made with a payment card.**⁴ Now you can make it easy for customers to pay you immediately for goods or services and accept credit and debit cards using your Point of Sale software.
- **When sales are processed, transactions are entered into your Point of Sale software with just one click.** Point of Sale Merchant Service from Intuit can help you manage your business more easily. Over 240,000 small businesses trust Intuit Payment Solutions to process their transactions, you can too.
